Dear Thomas,

Thank you for your gift of \$157.55 to The V Foundation. We are extremely grateful for your generosity toward the Foundation and our goal—to find a cure for cancer.

Because no goods or services were provided in exchange for your contribution, this gift is 100% tax-deductible.

Fiscal responsibility to our important mission and to our donors is something The V Foundation Board of Directors and staff are very passionate about. This fact has not gone unnoticed by Charity Navigator, a watchdog agency that recently awarded the Foundation a coveted seventh consecutive 4-star rating. Additionally, we are proud to inform you that The V Foundation awards 100% of all new direct donations and net proceeds of events directly to cancer research and related programs.

Since our formation by ESPN and Jim Valvano in 1993, The V Foundation has raised more than \$90 million to fight cancer nationwide. However, there is still much more to be done. With your support, we will continue to raise much-needed funds for cancer research until we have beaten this deadly disease.

For more information on how you can help in the fight against cancer, please call us toll-free at 1-800-4-JimmyV, or [visit our website](#). Again, thank you for your support, and remember:

“DON'T GIVE UP. . .DON'T EVER GIVE UP!”®

Sincerely,

The V Foundation for Cancer Research
